

Canopy

Do you want

- A covered walkway?
- A stylish awning which can be signwritten?
- Decorative awnings which flow into the lines of the building?
- Rugged construction?

Then **Canopy** awnings, custom made with designs which are only limited by your imagination, meet your desires.

Made from clear anodized, extruded aluminium, which has been bent to the shape required on our microprocessor controlled bending machine. Computer aided design ensures that the finished look matches your requirements.

It is possible to put any awning fabric on an **Canopy** awning, Retractable **Canopy Awnings** can be operated by cord, crank handle or by electric motor.

Electrically operated **Canopy Awnings** can be fully automated with the addition of sun sensors, wind sensors timers etc.

Put a light behind your **Canopy Awning** and it will look stunning at night – especially when signwritten.
